

Saint Louis University Alumni Association

5 January 2024

Dear _____:

Greetings!

The Saint Louis University Alumni Association will spearhead a Grand Alumni Homecoming dubbed Rambakan 2024 in a whole day activity on March 22, 2024. With the theme **“Rising above and winning battles together: Celebrating a year of triumphs.”** this special day will gather SLU alumni from far and near in the spirit of camaraderie to return to their Louisian roots.

Among the highlight activities are the recognition of Most Outstanding Alumni and the unveiling of the newest portion of the Legacy Wall Scholarship project.

To help us expend the cost entailed by this momentous occasion, we humbly ask for your support by being one of our sponsors or advertiser. (Kindly refer to the packages attached.)

We cannot thank you enough for all the support you will extend to the alumni association.

Very truly yours,
